They Call These People FACULTY

Whose wisdom and understanding provide the source for our inspiration and decisions. To those who seek aright, the sum total of their knowledge and assistance is always available.

THESE OFFICERS CHART OUR COURSE

Believing that a school is only as great as are its leaders and administrators, we present the principal and the deans of Huntington High School. Theirs is the responsibility of school administration. To them is assigned the duty of formulating and directing the activities of the school. Huntington High School is indeed fortunate in having such capable leaders.

T. SMITH BREWER

After serving as assistant principal, Mr. Brewer during the school-year 1939-1940 assumed the principaship of Huntington High School. The admiration of the students and teachers for him is evidence of his success in this capacity. Mr. Brewer received his A.B. degree from Franklin College and his M.A. degree from Chicago University. He has done work at the University of California.

MAE NEWMAN

For a number of years Mae Newman has dealt with the problems of the girls at Huntington High School. Besides being dean of girls Miss Newman teaches several classes in mathematics. She is president of the Huntington Teachers Credit Union and is a member of the executive committee of the State Education Association. She is a member of the Huntington Altrusa Club, Current History, Delta Kappa Gamma and the American Association of University Women. Miss Newman attended West Virginia University and there received her A.B. degree. She later completed the work on her M.A. degree at Columbia University. She also proudly claims Huntington High School as one of her alma maters.

SAMUEL A. HOFFMAN

The new dean of boys this year is Samuel Hoffman who replaced Mr. Withers, now principal at Hinton High School. In addition to his duties in this capacity he instructs classes in economics. As treasurer of the Huntington High School Athletic Association, he attends to all the financial matters of the teams and has proved himself very competent in this position. A Huntington High School graduate himself, Mr. Hoffman later attended Marshall College and the University of Virginia where he received his B.S. degree. While at the University of Virginia, Mr. Hoffman became a member of Phi Beta Kappa.

Torch

Torch, the honor society of Huntington High School, is a chapter of the National Honor Society. Its purpose is to promote ideals of scholarship and leadership in Huntington High School. We are composed of the upper fifteen per cent of the senior class. The sophomores are our guests at the induction ceremonies held each semester. Last September Don Rice and Bob Robertson presided over the assembly with Marine Sergeant Charley Warren giving the address. The new members passed the torch of learning, donned their pins, and soon took matters into their own hands, as the second semester arrived. Election results found Pat Madison and Betty Fitzgerald in charge of the assembly. Mr. Yagel, our sponsor, was the speaker. This new group of scholars were soon in charge as the seniors led their graduation procession, going out into the world "to love light and to seek knowledge."

Student Government

Student government is a definite part of high school life. This has become a prominent fact at Huntington High School. During the first semester, under Don Stinson's and Eleanor Calley's leadership, plans were made to erect an Honor Roll, dedicated to former H.H.S. students now in the armed services. We were host to Ashland High School in an exchange of assemblies which the tri-state high schools have given for two years in order to establish good will among the schools. The student body elected Joe Damron for the office of president of this representative group at the beginning of the second semester. Both the president the vice president George Henderson, strove for better assemblies. For the second year, the student council directed the sale of War Stamps and Bonds with Marcella Johnson and Betty McGrew receiving the credit for its success. Revising our constitution into a more suitable doctrine was the beginning of an effort to improve the student council and, in that way, give more power to the group in directing school affairs.

Latin Club

Salvete, amici . . . Purpose of the club is to foster greater interest and appreciation for Latin among high school students . . . Vires acquirit eundo . . . How well we remember those meetings every other Thursday with Kathleen presiding like a real consul . . . Betty, our scribeo (secretary) never failing to leave her minutes at home . . . Virgil would never have done that . . . Giving the salute to the flag and singing America in Latin, a definite sign the meeting was underway . . . Mary Virginia or Eleanor always winning the defense stamps given as prizes for the games we played . . . Our quaestor (treasurer), Eileen extracting dues painlessly . . . Mrs. Neale serving refreshments at every meeting . . . Jean and her gift of gab . . . Charles and his brains lending dignity to the club . . . Jimmy always busy . . . Barbara taking over where Eileen left off . . . Planning for our annual banquet where we recline and eat in Roman fashion . . . Finis omne . . . Valete!

The Dramatic Club

"All the world is a stage and the men and women merely players" . . . so would like to be. Thus the Dramatic Club exists.

The club organized this fall under the superb direction of Mrs. Hite Compton . . . new members were taken in . . . first play given two weeks later . . . Gerald Honaker, Charles Williams, and Jim Hall wrote a play and helped the Student Council by giving this play at the Ashland assembly.

January Senior Class Play supported by all Seniors . . . the title, "You Can't Take It With You" . . . starred in the title roles were Don Stinson and Theresa Haverty . . . both were really wonderful

The club lost many members in the January graduating class . . . have not recovered since . . . June Class Play chosen by the reading list . . . title: 'The Eve of St. Mark' . . . Here's hoping it will be a success.

The Huntingtonian Staff

September arrives . . . the discussion of whether or not to have an annual . . . the answer is 'Yes' . . . Mrs. McMullin, our new faculty advisor and doing a good job . . . Bob Robertson and Patricia Lenhart the Co Editors . . . Jo Anne Marple and Joe Damron the business managers having a hard time making ends meet . . . Mary Mann Garnett and Sarah Ellen Philips the underclassmen editors . . . He en Harrold wondering about the features . . . The second semester with only seven members left on the staff . . . Betty Fitzgerald helping Joe keep track of the money . . . Philip Smith being kept busy making layouts . . . Jean Hippert taking care of the senior section . . . Billie Byrd Gibson the club editor . . . Dorothy Pryor our faculty editor . . . Jean Johnson and Delores Morrison worrying their heads off and asking 'Are you going to have your senior picture taken?' . . . Everyone released when the work finally went to press . . . Senior week spent issuing the books and cleaning up last minute details . . . All in all everyone had fun and we are all proud of our 1943 "Huntingtonian."

Tatler

We are following true Tatler tradition as we start this at deadline . . . Dead lines are the pitfalls of the staff . . . The Tatler is H.H.S.'s weekly publication but we admit, publishing it weekly was a rare accomplishment . . . The first semester staff was kept busy by the inseparable editors-in-chief Dot and Sarah Ann . . . You could always catch Mary Fotos, the second semester boss, rushing around with both hands crammed with copy . . . Sweetie had definite troubles in attempting to gather gossip that wasn't libelous . . . Monday always meant Mary Jeanne was trying to make unwilling reporters accept their assignments . . . Dave was always at the typewriter, pecking out sports copy . . . Charlie spent his time drawing cartoons . . . Milton was our copy wonder . . . Anna Lou tried in vain to balance an unbalanced budget . . . Reporters racked their brains thinking of new excuses for handing in their late copy . . . All in all, Mr. McDermott must be given credit as a most patient faculty advisor.

Art Club

The membership of the Art Club is small this year but nevertheless active. The club is composed of art students who have made an A average in Art.

Block printing was featured, and in this medium, tray covers and Christmas cards were made for the Red Cross to send to convalescents.

The president has given demonstrations in "Silk Screen Process" and Air Brush painting.

In April, an exhibit of posters for the sale of bonds and stamps were placed on display at the business office by the Art Club.

At the meeting of the S.E.A., exhibits sponsored by the club were hung in the corridors of Huntington High School.

Outdoor sketching was another phase of the work. These pictures developed in water color and pastel were displayed in their studio.

Senior Glee Club

It was a very good year for both the Boys' and Girls' Senior Glee Club. Our concerts at Swan's Creek and in the junior high schools throughout the city was a huge success. The All State Chorus arrived in November as our guest. Their short visit was climaxed with a dance given at East High. We presented the Christmas program in the auditorium with Mrs. Heinz at her best. Ex-Glee Club members now with our armed forces, have been receiving many letters and boxes, filled with cookies and candy from our Glee Club. At the mid year commencement, medals were presented to Rosalie Brandum and Bernard Welch with Betty Fitzgerald and John Diehl receiving letters. Our annual Spring concert was the feature of the year . . . and so it was with the Senior Glee Club in 1942-43.

Girl Reserves

The Senior Scribblers' Club

The Senior Scribblers' Club is an auxiliary club to the English Department of Huntington High School. Miss Marion Kitch is our sponsor. The purpose of the Senior Scribblers' is to promote the knowledge and appreciation of literature, and to encourage the development of literary ability among the students. All students in sympathy with the aims of the club, and who conform with its rules of entrance are eligible to membership.

It is an honorary club for the students who get a B or above average in English.

We now have twenty five members in the club. Every other week, two members bring refreshments. Interesting programs are planned for each meeting. We had a Christmas party at which Mary Fotos and Gerry Boos were hostesses. Gifts were exchanged and games were played.

Junior Scribblers Club

The Junior Scribblers Club of Huntington High School is made up of the students of the 10B, 10A, and 11B classes who have at least a "B" average in English. The club's aim is to enrich the minds of its members with a knowledge of literature and to give them some aid in writing.

This year we have had a number of social gatherings. At one, we had as a speaker Miss Jo Horen, a student of Marshall College, who talked on Journalism, and Mr. McDermott spoke to us on editing the Tatler and the part we might have in contributing to it as members of the Junior Scribblers Club.

Varsity H

The Varsity H is composed of basketball, football, track, and baseball players who have achieved the honor of being a member of the letterman club. It not only has the school's idols, but also, the school's greatest Romeos: "Wild" Bill McComas, enchanted by Becky Satterwhite, "Suppy" Supman, the only one who dares to say 'Are you kidding' Charlie Kautz, who traded his educated toe for Betty McGrew, "Moe" (who did you expect, Robert Taylor?) Levine, and tracks only leftovers, Okey Gallegar, Bob Haman, Bill Frampton, and Bill Cravens. This year the Varsity "H" won the intramural basketball league . . . "Alice the Goon" Charles Thornburg, Shannon and his two new eyes to look at Mary Jean. This year the Varsity 'H' chose Sara Ann Sammons as 'Miss Pony Express,' and her attendants were Becky Satterwhite and Joan Whittington . . . Coach Brickles, new sponsor of the club . . . Bill 'Binky' Chambers . . . The Varsity "H" blowout" will be held again this year. It is uncertain who will play for the faculty all-stars, but the Varsity "H" will win. We hope.

Most of our meetings have been profitable . . . along with a little shindig . . . Those parties at Christmas time . . . rack-k k . . . The meeting at Pat McClung's . . . We elected new officers . . . Somebody spiled something in the punch . . . Could that be the reason that Nickie was elected president? We all were happy and will never forget those good times.

Hi Heel

September seems like only yesterday with its bids, initiation and never-ending financial problems . . . From two fun packed semesters we best remember—Gladys struggling with the Silver Tea . . . Orchestra

The Huntington High School orchestra is very pleased to appear in the 1943 annual. We have been practicing for our Spring Concert to be given in May with the help of our faithful director, Mr. Arnold. Our "tom-tom" player has made a sudden change from "tom toms" to a bass-fiddle. Have you ever noticed our flute player Dotty Raines, who has given more solos outside the orchestra than anyone else? She deserves a great deal of credit. The so-called "tom toms" were taken over by Peggy Swann.

Our child-prodigy, Alice Gilchrist, ("Shorty") doubles on the piano and violin when our other players is absent.

We mustn't forget Betty Cantrel with that bass, often called "Mutt and Jeff." (She and the bass.)

There are several other very active members that deserve considerable credit too.

C.A.P.C. Squadron 542

The C.A.P.C. is a semi-military organization formed to give basic training to high school youths who will later take their places in the Army and Naval Air Corps. The organization was formed under the supervision of the Civil Air Patrol. Each senior C.A.P. member sponsors a cadet. This limits the membership and enables it to carry on its activities more efficiently.

The cadet is first given a basic 80-hour training which includes general ground training. He is schooled in military courtesy and discipline, organization of the various branches of the service, guard duty, crash, precedence, and first aid. Six hours each week is devoted to the C.A.P.C. The program is varied with activities such as guarding military planes at the local airport. For this work our squadron received the only citation given to a West Virginia cadet group.

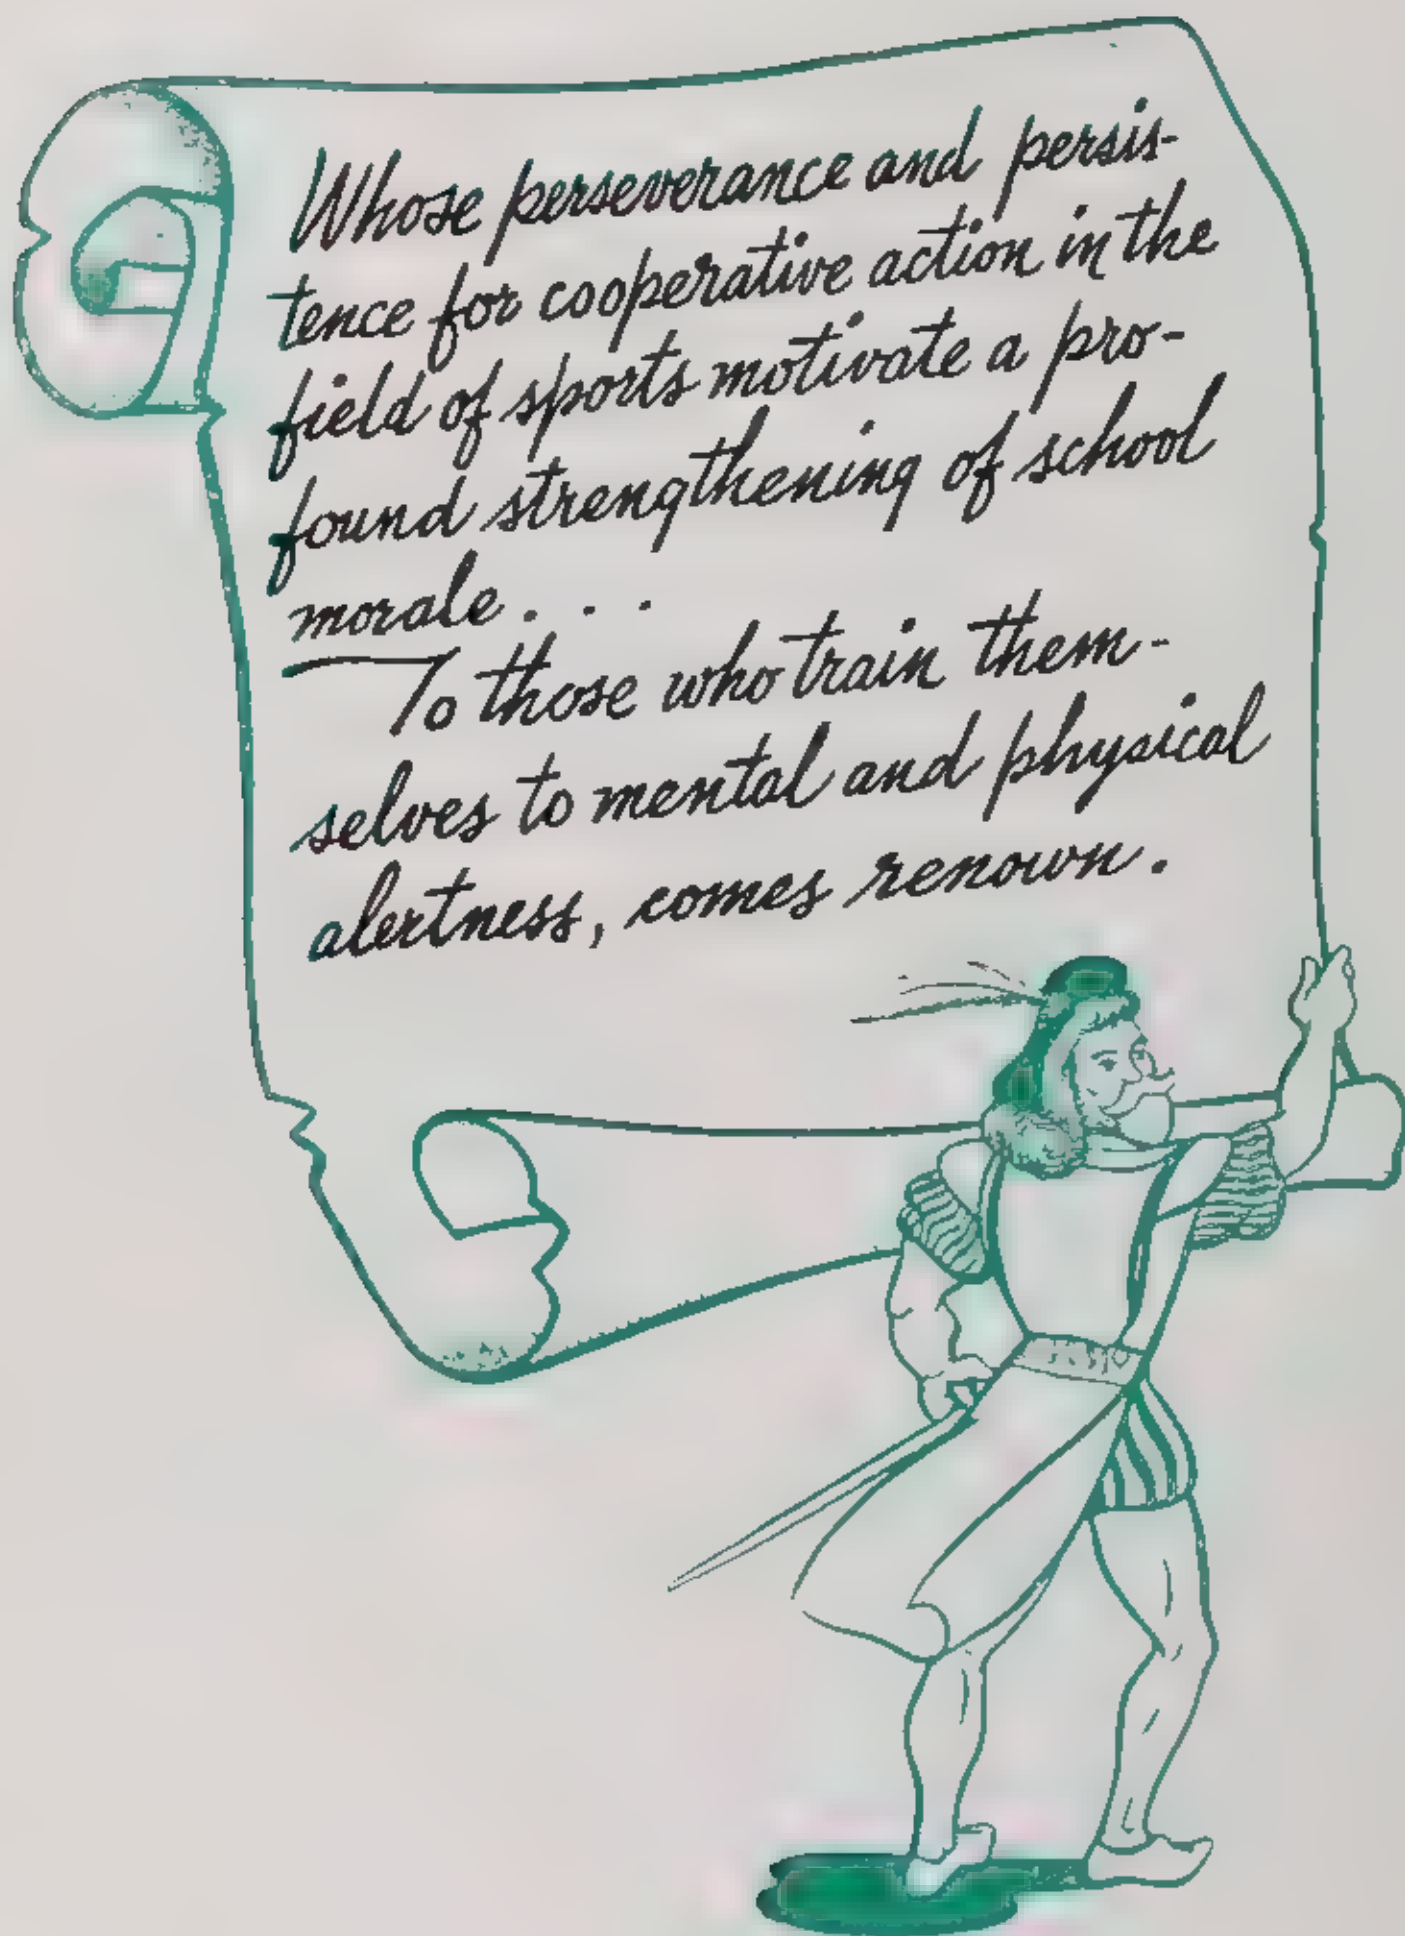

Company H

Company H is an independent group of junior and senior high school students who organized for the purpose of better equipping themselves for service in the armed forces.

Its officers first organized in October on the initiative of First Lieutenant Robert Levy, 12A, and Second Lieutenant Jack Moore, 12A. Nine students were trained by Levy and Moore and at an assembly on February 13, were officially re-organized as sergeants. They were Master Sergeant Robert Mankin, First Sergeant Richard Farley, Technical Sergeant Watts Lipscomb, Sergeants Richard Gross, Gilbert Sayble, William Speakman, Delmar Sheets, Kenneth Marple, Alan Marston, James Kitchen, and Sergeant Technician Virgil Lawson.

Since October the company has grown until it includes approximately seventy-five members. Besides drilling, other activities this year have included a sham battle, a review by the American Legion at Arena Gardens in February, and a review by Lieutenant McCalister, of the WAAC's.

They Call These ATHLETES

Whose perseverance and persistence for cooperative action in the field of sports motivate a profound strengthening of school morale . . .

To those who train themselves to mental and physical alertness, comes renown.

Head Coach Johnny Brickels (extreme left above) with the able assistance of sub-coaches Eddie King, Bill Trosper, and Raymond McCoy, respectively, brought the hard fighting Pony Express through another season of Pigskin contests this year. This year as in previous ones, they worked diligently and sacrificed much for the sake of the r teams.

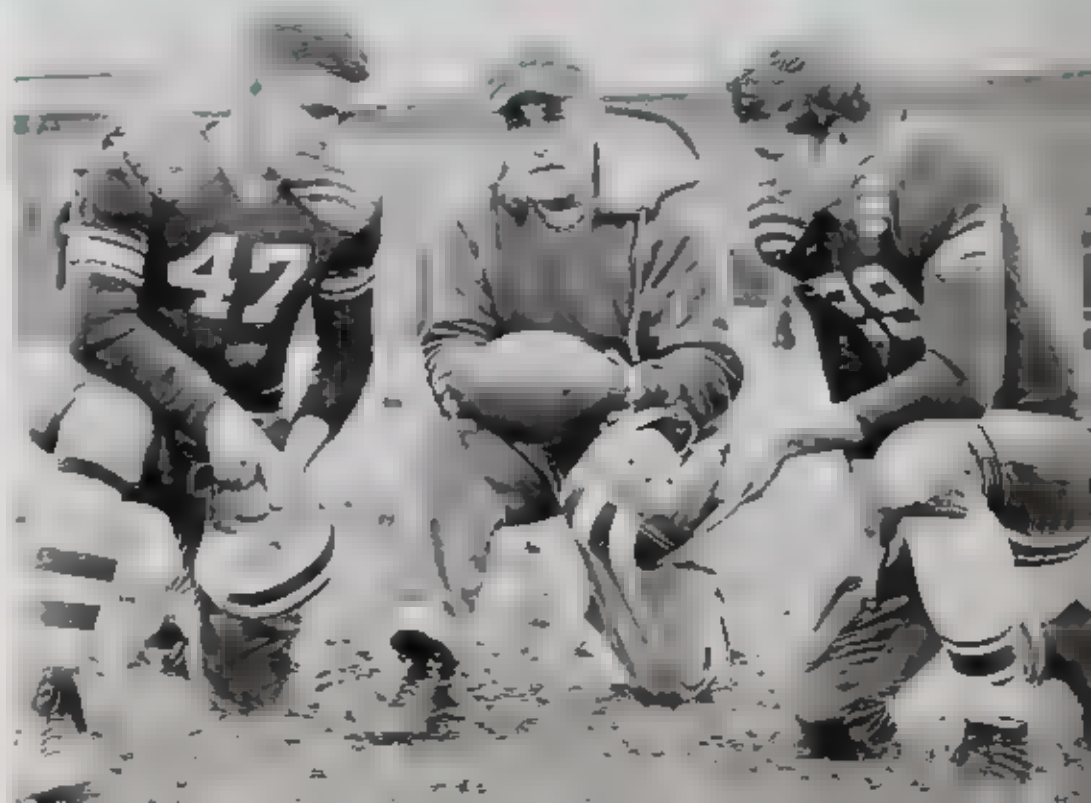

MANAGERS

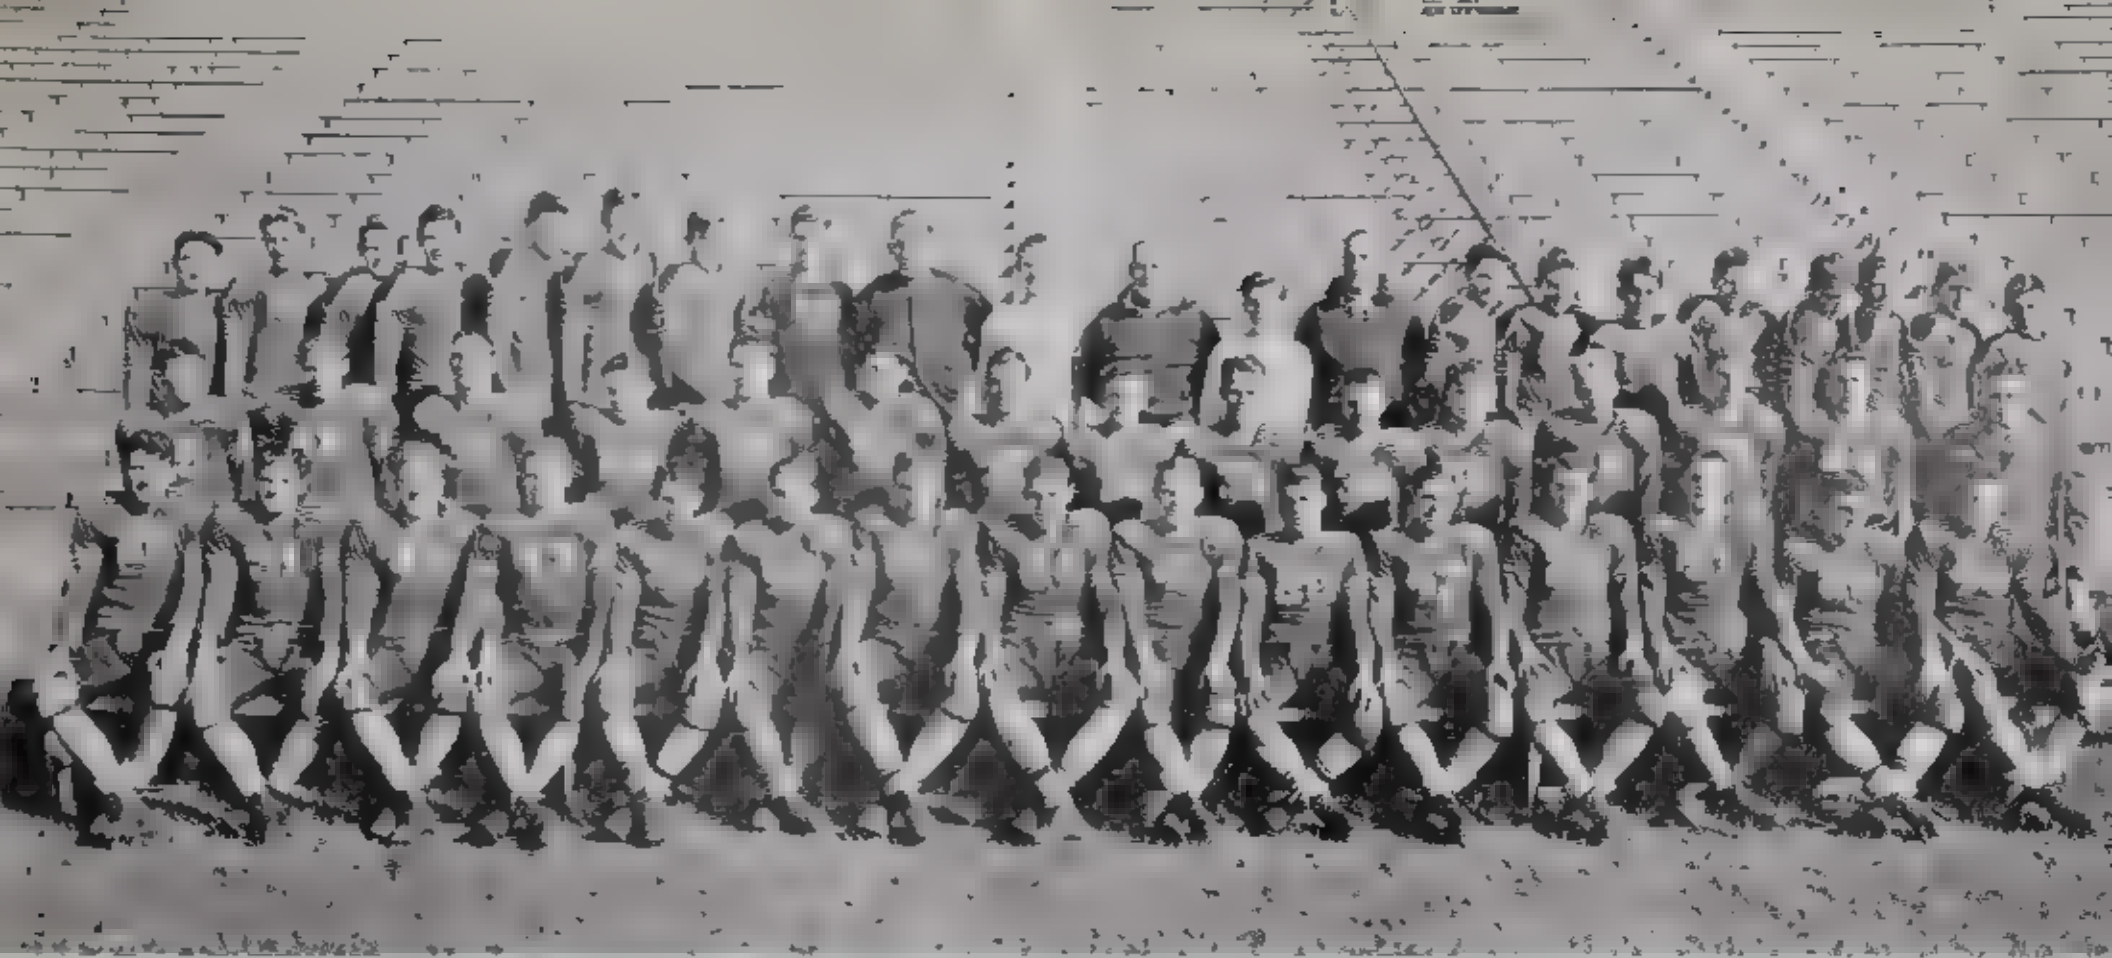

Pictured at right are the two managers of this year's squads, Bill Frampron and Clarence Goud. Without their Cooperation and assistance the team could not have done nearly so well.

CO-CAPTAINS

Also at the right are the Co-Captains of this year's eleven, Charles Kautz and Bill Chambers. We can do nothing but admire them—actions speak louder than words.

First row, left to right: Jack Evans, Carlo Kingery, Jim Warren, Danny Hayden, Bob Haman, Don Stinson, Hugh Shannon, B. McComas, George Bartlett, Lindell Johnson, Charles Kautz, Bill Chambers, Bill Corbin, Fred Fischer, and Al Shires.

King Football Is First in Sport for Huntington High School

First time in many year the PONY EXPRESS went to a football camp to get in shape for the season. The 1942 football team was the greenest the school has ever had, but they won five games and lost five, a balance which can be considered a good season. The PONY EXPRESS was beaten in their opening game with C-K for the first time in fifteen year to the score of 7-6. They roared back next week to defeat South Charleston 13-6. They improved to trounce Logan 20-0. The EXPRESS really rolled when they defeated Williamson 47-6. Their feet were knocked from under them when Ashland dealt them their second defeat 21-6. Bad luck again, Hamilton beat the EXPRESS 14-0. The EXPRESS traveled to Parkersburg for revenge but were badly beaten 31-6. The EXPRESS came to life in the mud and defeated St. Albans 12-0. Charleston, the traditional rival, defeated the EXPRESS 20-7 but luck was against the EXPRESS that day; they did push the Lions all over the field. Success smiled again at the last. The EXPRESSMEN shellaced their city rivals 27-6 in the best football game they played this season. Good luck to next year's team.

Pigskin Parade

Reading from left to right in the top, Bill Chambers. Chambers for three consecutive years was an outstanding halfback. He ranks with Sammy Baugh when it comes to passing a football. He was also chosen co-captain to the team and is headed for Kentucky next fall.

Danny Hayden, second string ALL-STATE end and the finest defensive end in the state. Danny took over Bill Branch's position and made the fans forget all about ALL-STATE Branch. Hayden will be the most outstanding end in the state next fall.

Don "Cutback" Stinson the smallest halfback in the state. Don got his name 'Cutback' by changing his mind from running to left and following his interference in the South Charleston ball game. He turned around and ran to his right for 53 yards and a touchdown. He was the most powerful runner on the team.

Paul "Pee Wee" Probst, a sub for Bill Chambers and a guard tailback. Paul filled Chambers shoes in many ballgames. He ran for sixty yards against Ashland for a touchdown but stepped out on the five yard line. Probst will be one of Coach's main threats next year.

Bob Hayman, the fastest football player on two feet. The greatest pass receiver the school has ever had. He scored seven touchdowns this fall. His favorite play was the "Dipsy Doodle" when scored on 30, 50, and 80 yard runs for touchdowns. This was the first year Bob had ever played football.

Jim 'Shady' Warne, the crooked arm of the team. Shady's was a big threat by throwing with his left arm. He passed for many a touchdown.

The second row from left to right is: Hugh Ross Shannon, the biggest player on the team. He made many an end say 'uncle'. He was the main left tackle on the team. Shannon will make some college a good football player if the Army doesn't take him.

Lindel Johnson

of 1942 . . .

Carlos Kingrey one of those boys the coaches like to coach. A boy who is always trying to better himself. Kingrey replaced George Bartlett when he was injured. He was the most improved ball-player on the team.

George Bartlett, the hardest blocker on the team. He took many a line bucker out of a hole for Fisher to go through. George was handicapped by injuries this year but he played in many games despite his injuries.

Third row: Fred Fischer the mightiest little fullback in the state. When two yards were needed, he got it. He was the leading scorer of the team. He chalked up ten touchdowns for the season. Fred has now gone to the Army to do his paying and fighting for Uncle Sam.

Al "Goot" Shires, the only lineman to score a touchdown this year. He blocked a punt and fell on it for a touchdown. Al was always plugging the holes when an opponent's fullback tried to make a few yards.

Lyndol "Bimbo" Johnson, the hardest tackler on the team. Bimbo played full back along with Fischer. He was a good ground gainer in many a game, and also helped to do the punting when we were in trouble.

Bottom row, left to right is: Bill McComas, the other big tackle on the team. Bill called the defensive signals on the line. He was the fifth man in many opposing backfields. Bill should make any college team.

Charley Kautz, the other regular leftover with Bill Chambers from the team a year ago. Charley kicked the extra points and called the signals for the team. He was also chosen co-captain of this year's team. Kautz played every position on the team.

Bill Corbin the center and the best line blocker the team had. He was a natural born center. He also played end when injuries handicapped us. He is now in Uncle Sam's Army doing his bit for freedom.

Basketball

The Huntington High basketball quintet had a good season this year, winning nineteen and losing six. On December 19 the boys started right by defeating Milton, 53 to 33 at Milton. After Milton came Logan, whom the Red and Blue trimmed, 38 to 23. Next they swamped St. Joseph, 39 to 16. The Express next downed Ceredo Kenova 48 to 27. Then the Red and Blue hit the road for Williamson and Inez, Kentucky, where they were on the wrong end of two close games, 37 to 39 and 22 to 27 respectively.

At home once more they defeated Charleston 45 to 41. Then, for the first time in history, the Express bowed to East on East's floor, 33 to 37. Then the Red and Blue went to Ironton to down them in a dazzling game, 28 to 24. Next at Ashland the boys escaped victorious, 39 to 37. Three days later they sank the Barboursville Pirates, 34 to 43. Traveling on to Charleston, they were downed, 28 to 33. Having played away from home five straight times, they ventured home to defeat a strong Elkins five, 39 to 29. Then the Pony Express met their first and only defeat on their home floor at the hands of the Ironton Tigers, 30 to 33. Three days later the Red and Blue went to Parkersburg and overcame the Big Reds, 45 to 40. Hitting full stride, Coach Johnny Brickel's lads trimmed East, before 3 000 fans to the tune of 53 to 30. Continuing at top speed the Red and Blue outscored Portsmouth 48 to 19, Ashland 51 to 24, Beckley 44 to 34, and, to end the regular season, downed East Bank, 42 to 28. In the state tournament the Express captured their Section A by defeating Hamlin 67 to 44, Fort Gay 50 to 21, and a strong Vinson team in the finals 46 to 33. The Regional was held at East where the Red and Blue beat East in the thriller of the year 30 to 28. In the finals the Express was caught off guard and was defeated by a hot Madison team 44 to 25.

Front row (left to right) Larry Hays, Coach Wayne Hamlin, Bill Parker, Bill Toothman, and Marvin Atkins. Second row (left to right) Johnny Bokes, Wayne George, Hal Stanner, Bill Hays, Jack DeLoach, Jack Evers, Dave Wilson, and Bob Davis. Team Manager Fred van Nisdon is also in the back row. This year's team had such stalwarts as Bill Toothman, Bill Cravens, Hugh Shannon, Danny Hayden, Jim Warne, Jack Dial, Bob Davis, Jim Kallmerten, Paul Probst, Dave Wilson, Marvin Atkins, and Wayne George. Other members who saw service throughout the season are Jack Evans, Larry Garges, Bob Haman, Jim Keadle, and Tag Heabertin.

The outstanding players on this year's team were Bill Toothman and Bill Cravens. Toothman undoubtedly ranks among the best basketball players ever to play the Pony Express. Because of his excellent shooting and brilliant floor play he was chosen for a position on the first string of the 1943 All-State team while Bill Cravens was chosen for a position on the third string.

Hugh Shannon, Danny Hayden and Jim Warne were three main stays who with Toothman and Cravens saw plenty of action. Shannon was a valuable player under the basket, while Hayden and Warne were long-shot artists. Jack Dial and Dave Wilson were also excellent players around the backboard. Dial was an expert on one-hand shots while Wilson made uncanny shots from any position. Paul Probst, Jim Kallmerten and Marvin Atkins worked a good fast break while Bob Davis and Wayne George were good long shots.

and varied activities counter-
balance the inevitable monot-
ony of straight school life.
To those who participate
come rare adaptability
and fellowships . . .

- Kenny Gould.** January class. He is a leader who provided pep, vim and vigor at athletic events. Always strong, he mixed with both sexes.

- 11 A Saly Darlington.** Junior A. Everybody gets along with this pretty brunette. She is well-liked by all. Likes to art and dance.
- Jim Silling.** Junior A. Varied activities all over school. He has served in the student council as well as in several clubs. He enjoys many activities.

Qualifications of a Typical Student

When we are asked to vote for the typical boy or girl in our class we vote not for the outstanding student or athlete, but for the well-rounded individual who is good in both. All things are taken into consideration: personality, ability to lead and willingness to follow. After they are chosen, these students represent the persons who can meet any situation and mix in any crowd. We are proud of our selections.

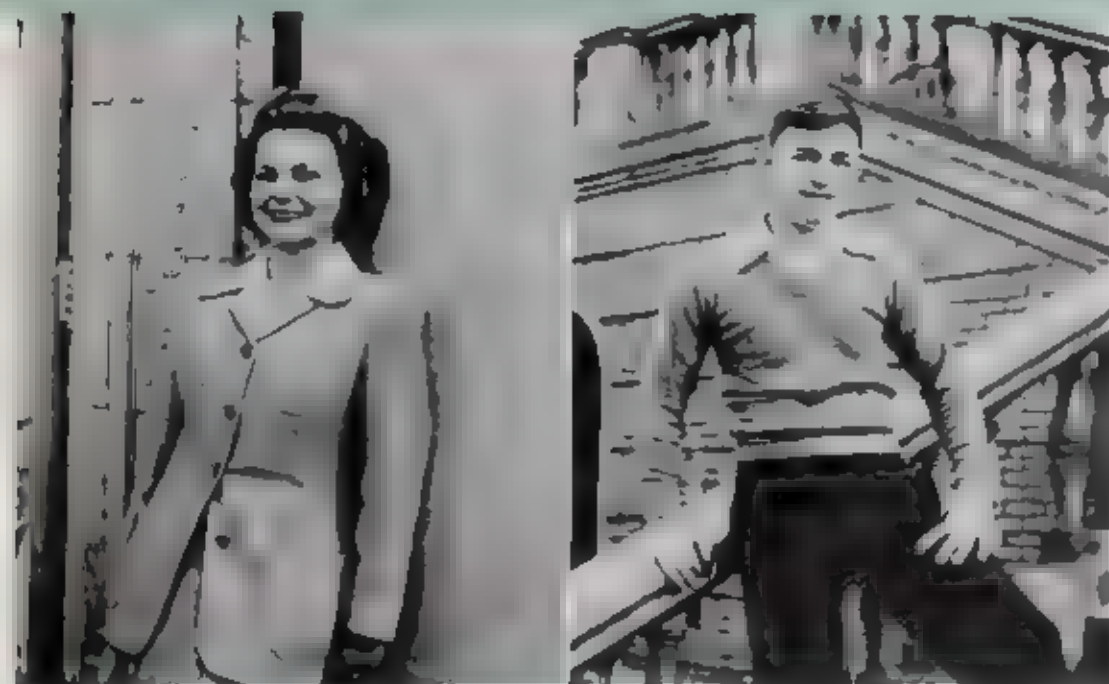

12 B Sara Ann Sammons. Junior B. Beautiful leader of the cheer for Miss Pony Express. Always at its games and dances. Her motto is "With Army".

Bobby Welch. A dare devil who puts on a good show. Always laughing and taking his typites the happy, easy going way.

11 B Phyllis Shumaker. Junior B. Another cheer leader. By her second year she had made herself known to every student at high school. Loves football and dances.

Hugh Shannon. Junior B. Stands for both football and basketball. Great worker on lives and campaigns. His talents cover an extended field.

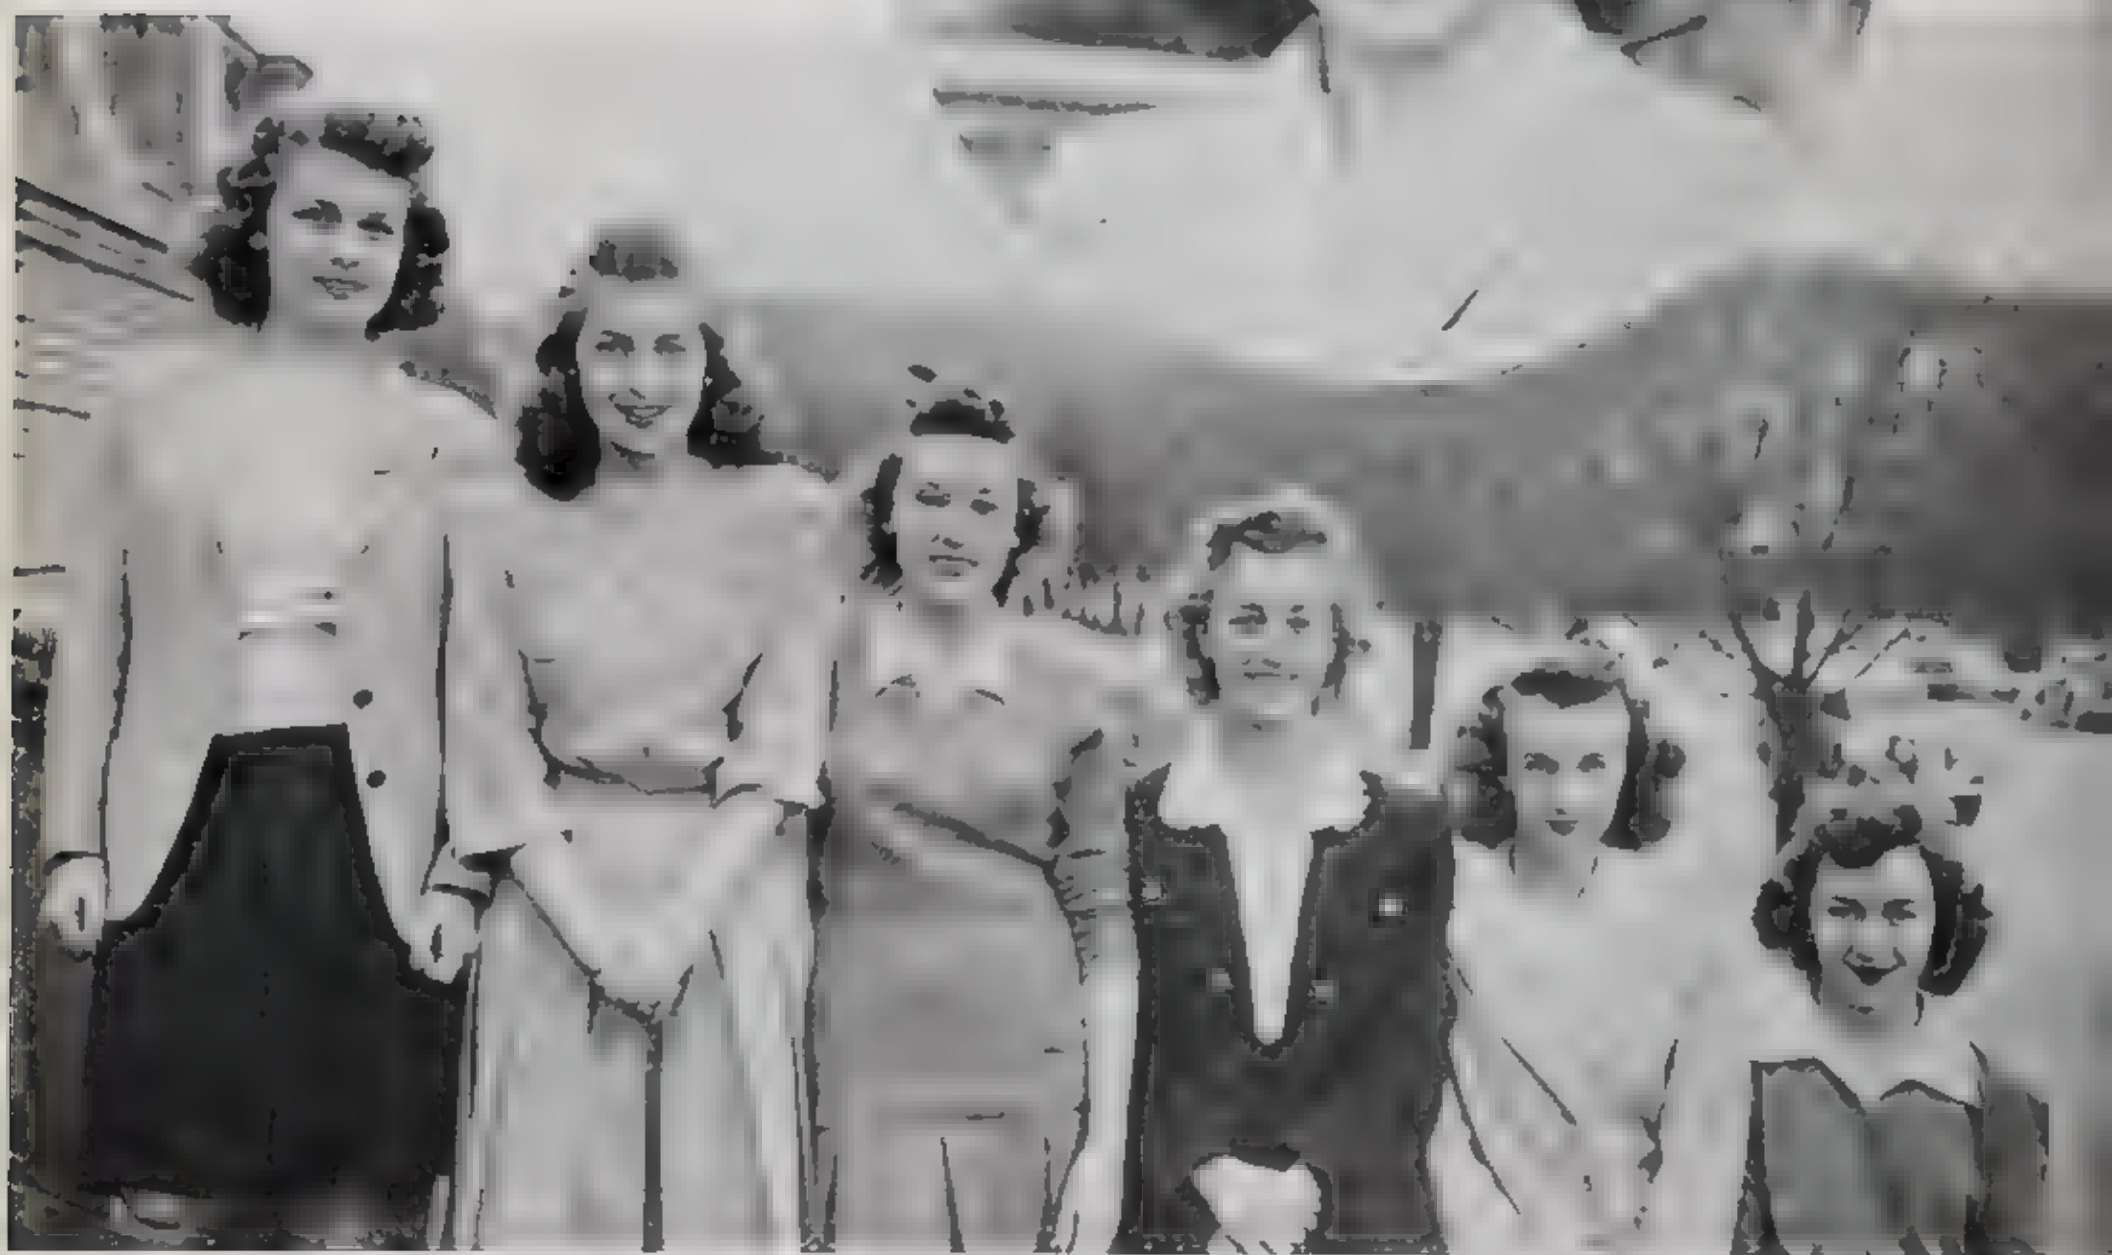

10 B Lois Peters. Sophomore B. The third cheer leader on our list. It did not take her long to get into high school's pattern. She probably knows more about high school than many seniors.

Froggy Sawyers. Sophomore B. A keen sense of humor that inspires wit as well as recreation in others.

How the Typical Students Are Chosen

No speeches or drawn-out campaigns are needed for this election. Each class officer presents the name of one boy and one girl for this honor. Then all the Class Officers in that grade have their choices put together and one boy and one girl are chosen for this distinction. Every student has a chance to run, and all the students elect the couple from their class. The elections are held every year; many different students are typical.

Eleanor "Sweetie" Calley, Hi Heel's winner especially interested in our nation and the Army Air Corp. Likes friendly people and people who aren't conceited, dislikes stingy people and gooseliver.

Miss Huntingtonian

Again this year the Clique Club sponsored the annual Huntingtonian Ball at which our own "Miss Huntingtonian" is crowned. This year's queen, chosen by those students who had bought annuals was Eleanor "Sweetie" Calley, Hi Heel's entry. She was crowned by Bobby Robertson, editor of this year's Annual, on December 30 at the Marshall Student Union.

"The Sun is MY Time Clock"

... HE IS AMERICA'S GREAT PRODUCTIVE WORKER!

THE average farmer works from sun to sun and then some. Last year, farmers of the U. S. A. brought in a bumper crop and now they are being asked to produce even more, so as to feed our armies, our allies and the civilian population. It won't be easy, but with any kind of luck with the weather, the farmers *will* produce more food in spite of labor and machinery shortages.

Certainly farmers deserve and should receive the fullest cooperation in this gigantic task. In so far as electricity can help, we are making every effort to assist in keeping electrical farm machinery running and in developing every possible source of electrical farm equipment.

We salute the farmers of America who meet the challenge of the elements, working through torrents of rain or scorching sun with the same faithful dispatch of duty—tending livestock and crops with steadfast efficiency. We are proud to be partners with these "unheralded and unsung" heroes in the attempt to do everything possible to aid in the increasing of food production for the nation.

**APPALACHIAN
ELECTRIC POWER CO.**

**AMERICA LEADS IN
ELECTRIC POWER!**
Wartime shortages that have developed in many other necessities fortunately do not apply to the electric power supply. . . . Thanks to the foresight of American business management, this country has available more power than all of the Axis nations combined—five times as much as America itself had during World War I.

To the Graduates . . .

Congratulations

During your school days you have acquired the worthwhile habit of keeping informed on the rapid changes in the world around you. Now that you are leaving school you may be more or less "on your own" in further cultivating and continuing this habit. At any rate, don't neglect it.

Make use of your daily newspapers to keep abreast of the times and to discuss current events intelligently.
